

Select Committee to Investigate the  
**JANUARY 6TH**  
Attack on the United States Capitol

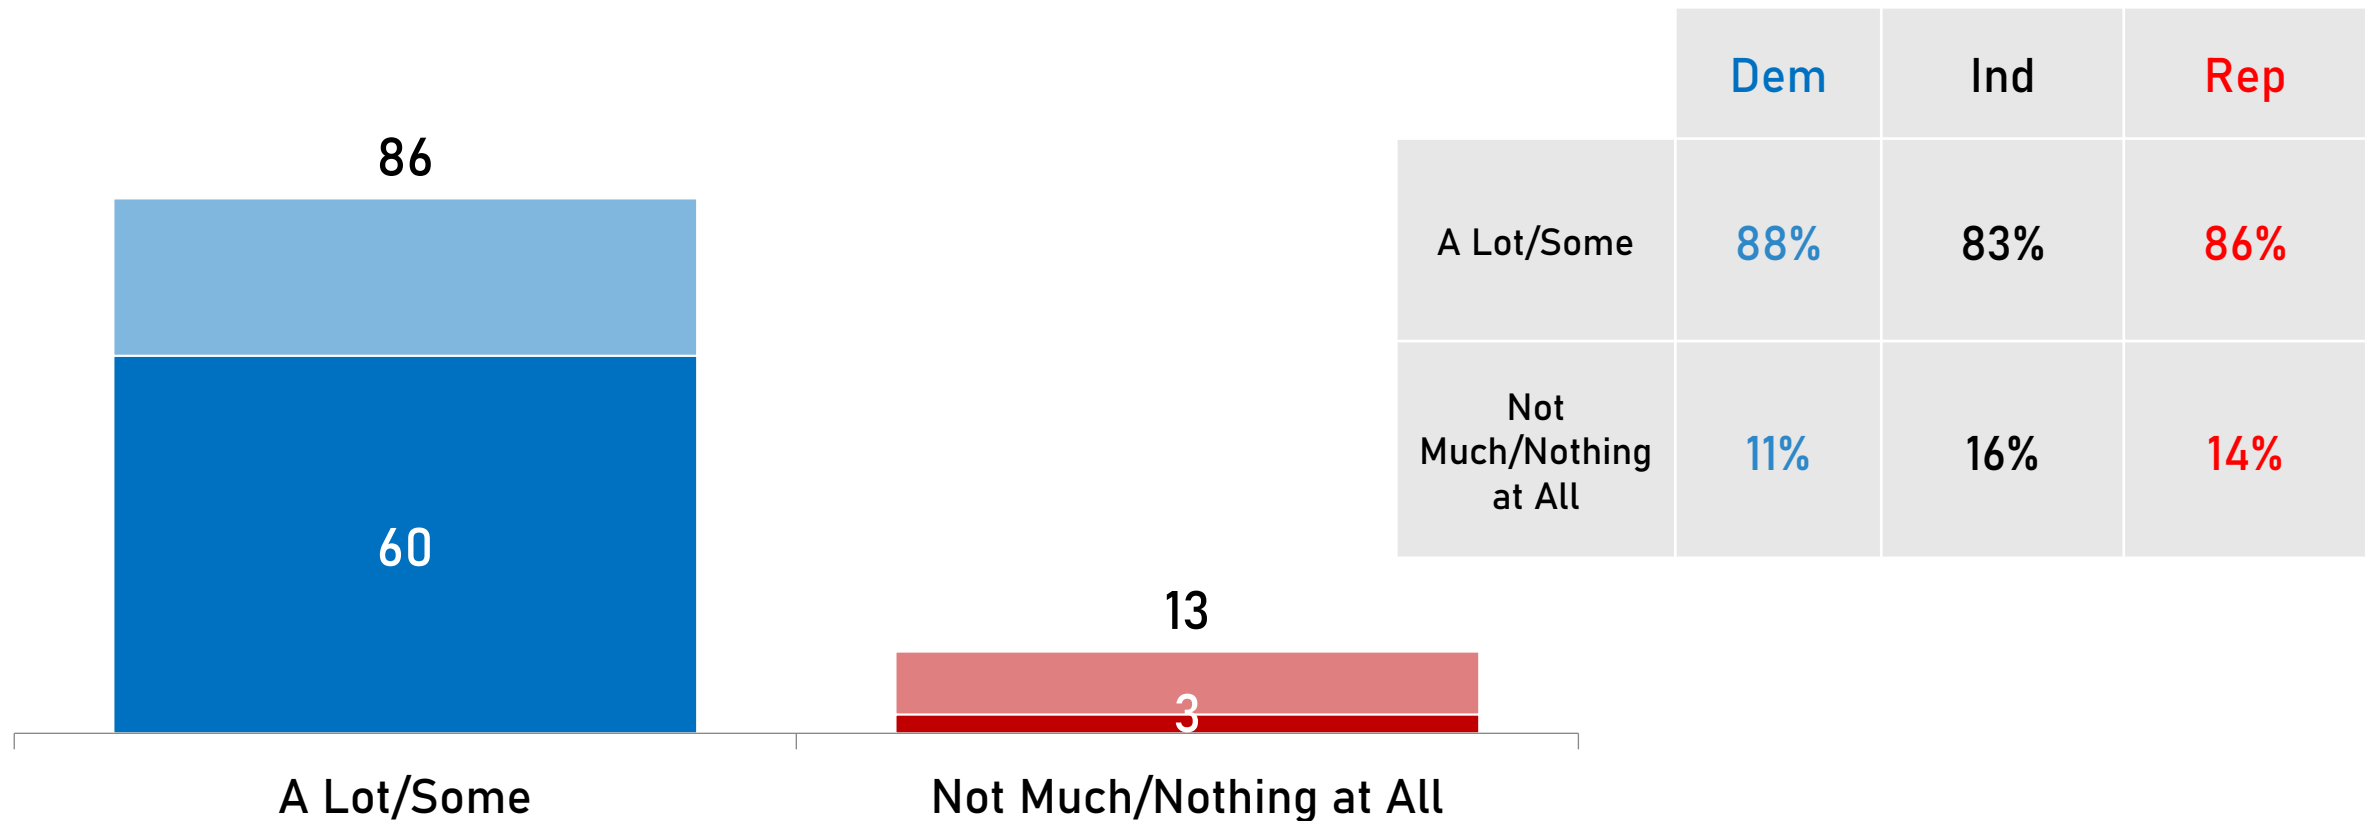

Press Briefing July 22nd, 2022

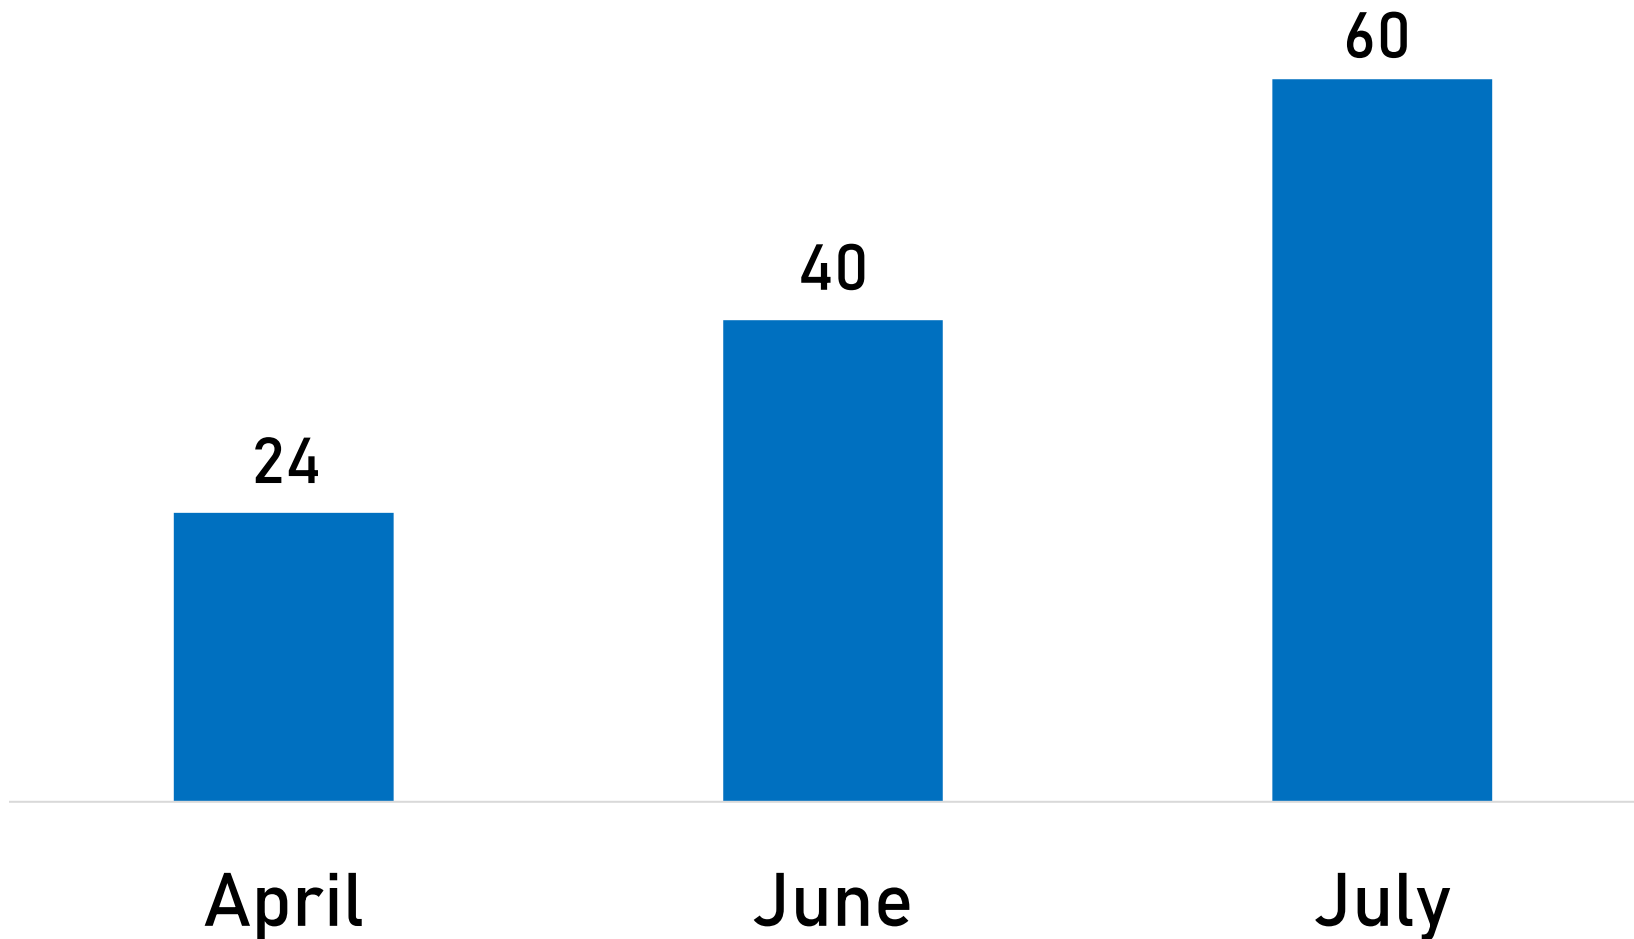

Eighty-six percent of voters have heard a lot or some about the Congressional Investigation into January 6<sup>th</sup> with six-in-ten having heard a lot about the investigation. Across parties, the vast majority of voters are aware of the investigation.

How much have you seen, heard or read about the Congressional investigation into January 6<sup>th</sup>?

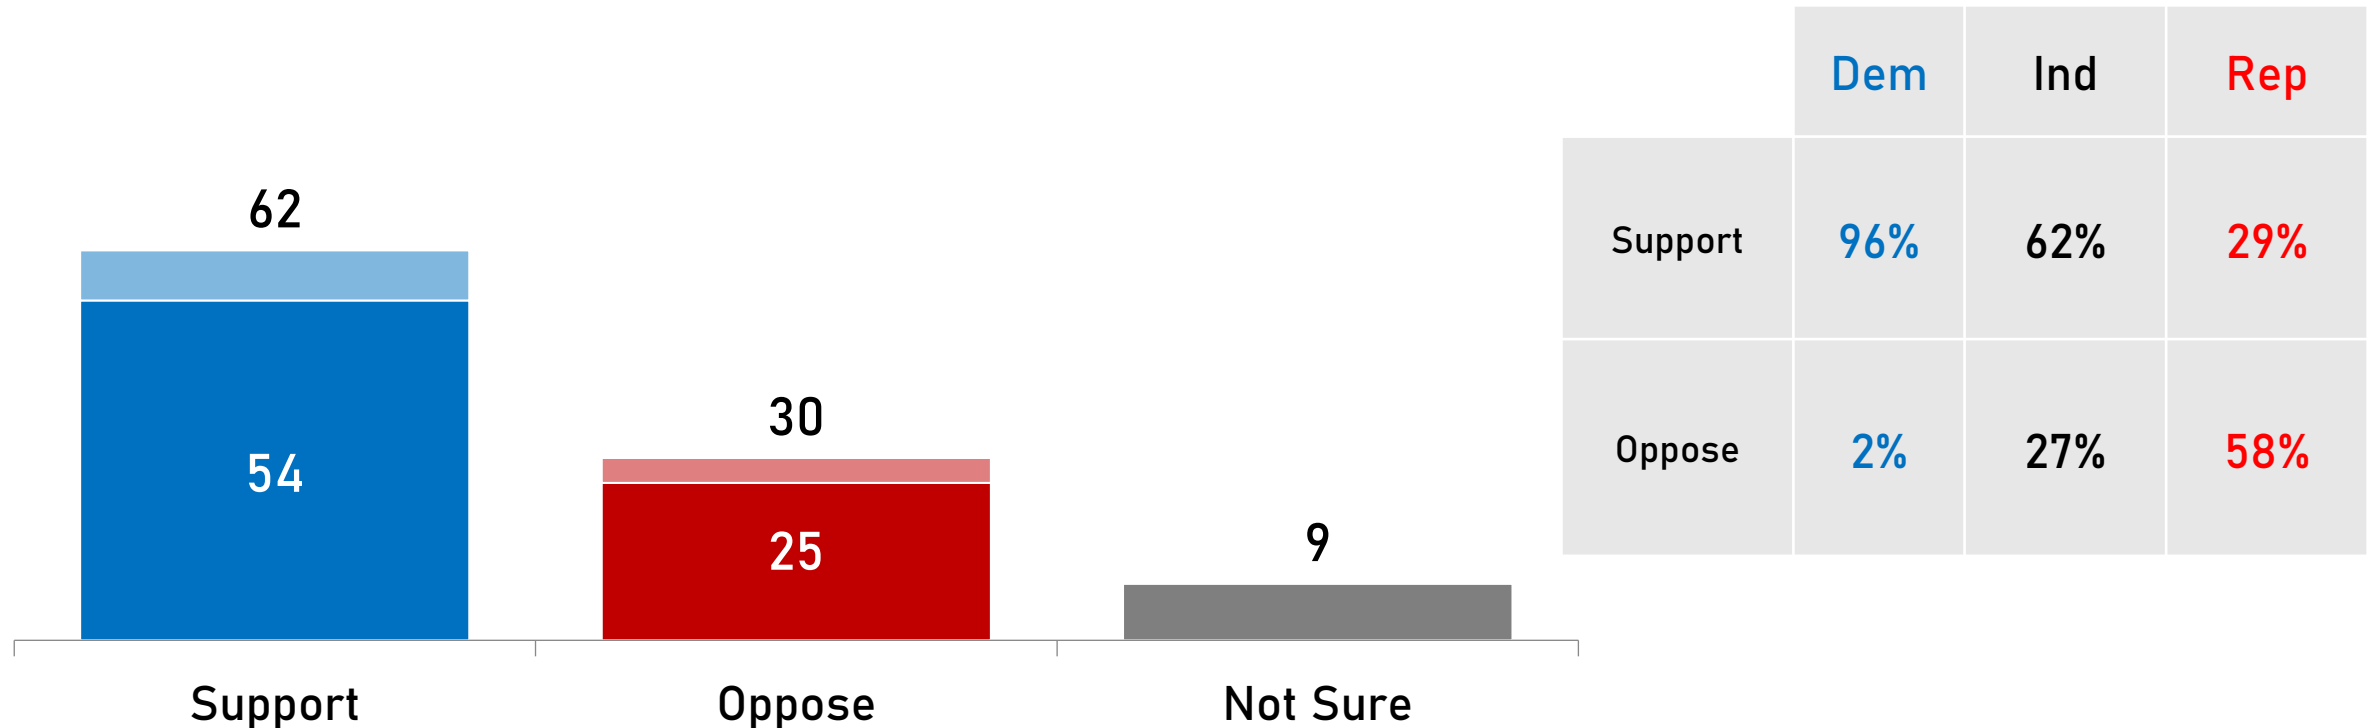

Voters have become much more aware of the Congressional investigation over the last few months with intensity greatly increasing.

% of Voters Paying a Lot of Attention to Hearings

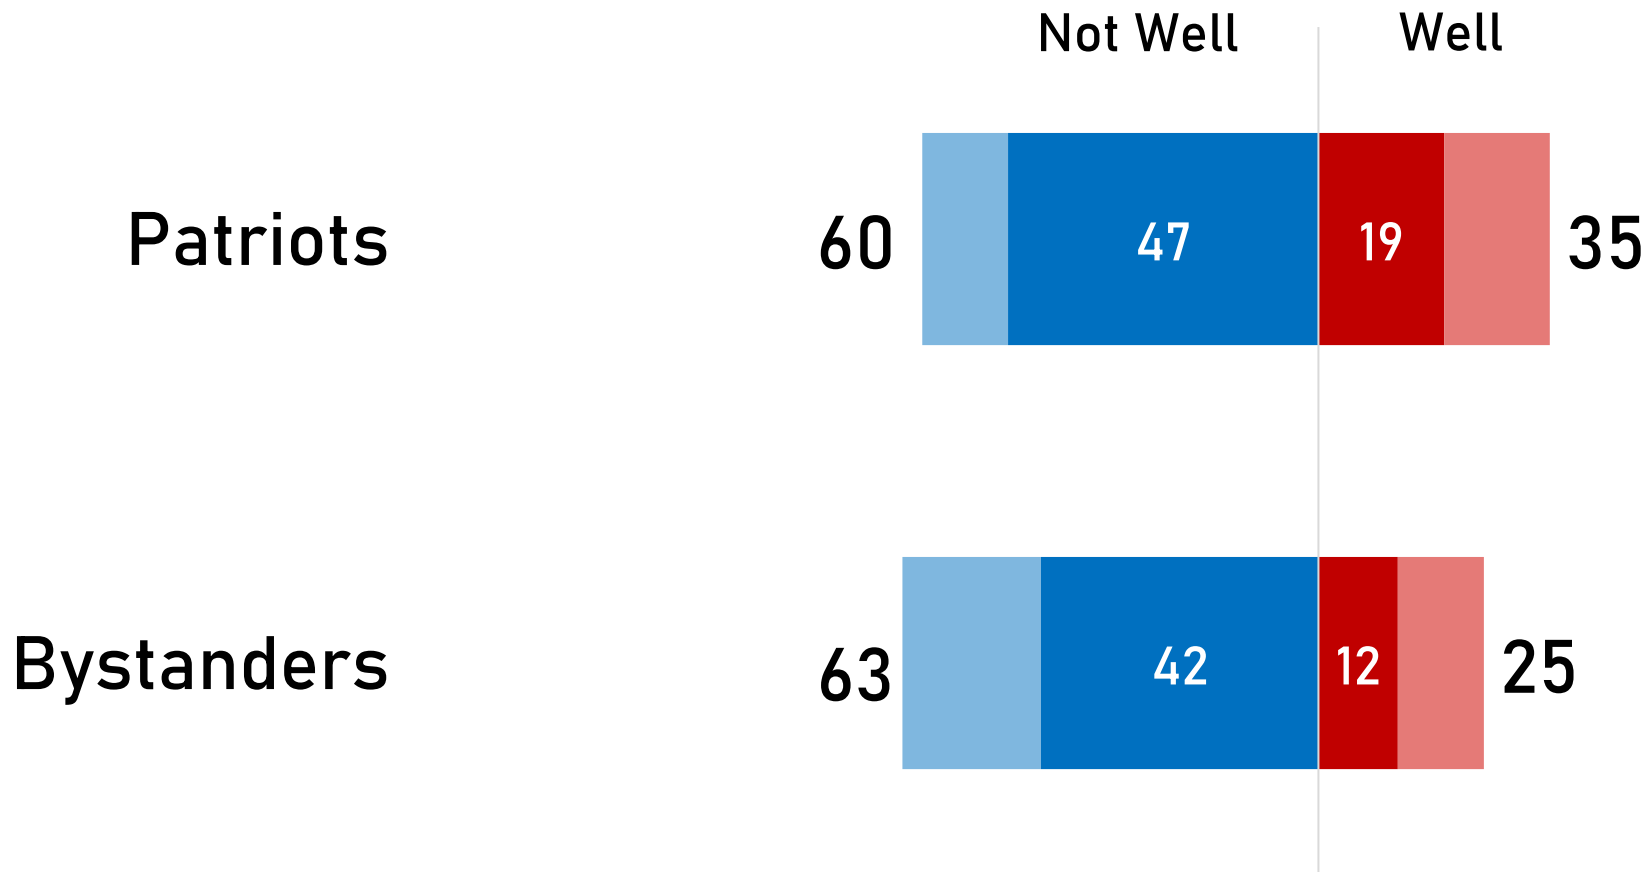

Almost two-thirds of voters support the House Committee investigation of January 6<sup>th</sup>, with more than half strongly supporting. Sixty-two percent of independents also support the investigation, with about half of independents strongly supporting the committee. Almost a third of Republicans support the committee. One-in-five Republicans strongly support the committee investigation.

As you may know, there is currently an investigation by the U.S. House of Representatives into what happened on January 6th at the Capitol and the events leading up to it. Do you support or oppose this investigation, or are you unsure?

# Majorities of voters reject passive or positive descriptions of Trump Republicans involved in January 6th like “patriots” or “bystanders.”

## Descriptions for Trump Republicans

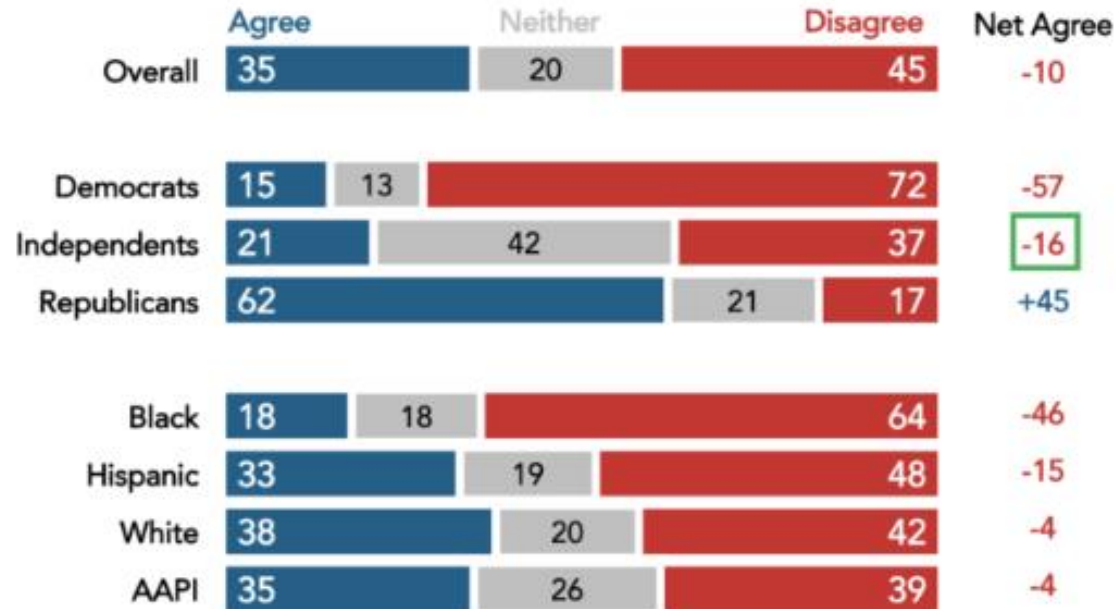

Lake Research Partners, nationwide survey conducted of 800 likely 2022 general election voters, July 13-17

Splitsampled Question
